Headset: High-quality 40mm drivers with deep bass and clear treble. 2. Ear Pads: Soft, breathable protein leather for long-term comfort. 3. Headband: Adjustable, padded headband to reduce pressure. 4. Controls: Touch-sensitive controls on the right ear cup for volume, play/pause, and voice assistant. 5. Microphone: Built-in boom microphone for clear calls. 6. Charging: USB-C port for charging the headphones and the included carrying case. 7. Case: Compact, protective carrying case for portability. 8. Battery: Long-lasting battery with up to 30 hours of playtime. 9. Bluetooth: Stable 5.3 Bluetooth connection with low latency. 10. Comfort: Adjustable headband and soft ear pads for a perfect fit.	Wear and Adjust 1. Place the headphones over your head, ensuring the headband is centered. 2. Adjust the headband by sliding the side rails to fit your head comfortably. 3. Adjust the ear cups by rotating them to fit your ears. 4. Ensure the ear pads are fully in contact with your ears for the best sound quality. 5. Use the touch controls on the right ear cup to adjust volume and play/pause. 6. Use the boom microphone for hands-free calls.	Charging 1. Connect the USB-C charging cable to the charging port on the bottom of the headphones or the carrying case. 2. The LED indicator on the carrying case will light up, indicating it is charging. 3. Charge for 2 hours to fully charge the headphones. 4. The carrying case also has a USB-C port for charging your phone or other devices.
Product Name	UGREEN Studio Max2																																			
Model	H2025
