Cable (not included)

RED
WHITE

RCA Stereo to 3.5 mm Stereo
Auxiliary Cable (included)

D.

Optical Cable (not included)

E.

Power Cable (included)

F.
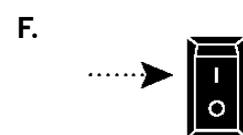

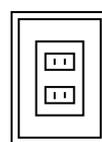

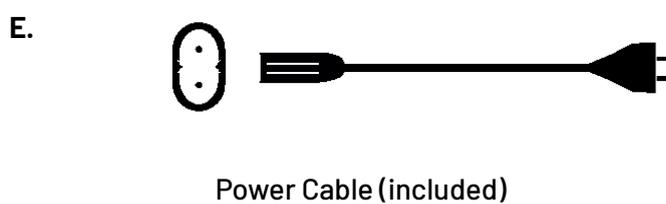

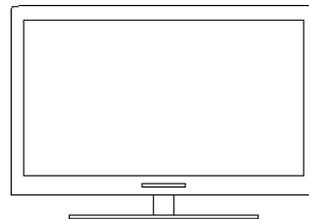

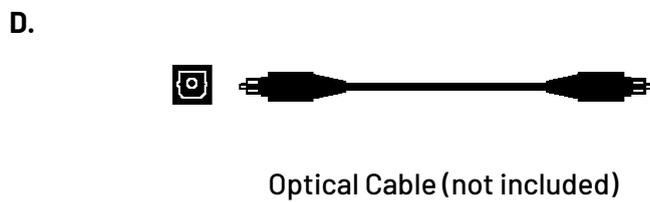

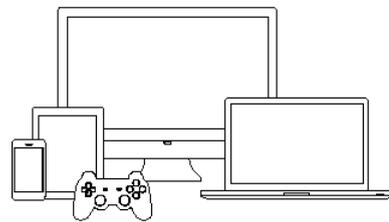

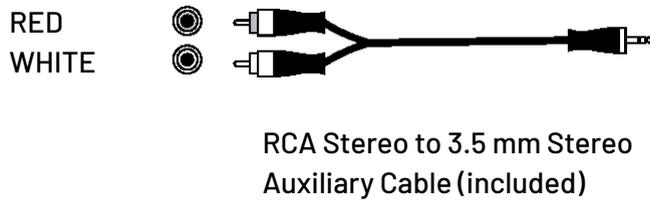

_02 BLUETOOTH® PAIRING

Switch on the speaker. A blue light will start blinking, this means the speaker is in pairing mode. Turn on Bluetooth® on your device (smartphone, tablet, PC, etc.) and select VERTRAG BT™ to pair the speaker. The light will stop blinking once the connection is established. If pairing fails, try again. If you require further support, please send an e-mail to support@thonet-vander.com. For switching from any other mode to Bluetooth® mode, press the BT button [5] on your remote control or go to the Speaker Side Panel and press the Volume button [B] for 2 seconds.
