Precautions

On the power cord

- The supplied AC power cord (mains lead) is designed exclusively for this unit. It should not be used in combination with any other devices.
- Completely disconnect the AC power cord (mains lead) from the AC outlet (mains) if it is not going to be used for an extended period of time. When unplugging the AC power cord (mains lead), always grip the plug. Never pull the cord itself.
- If the AC power cord (mains lead) is damaged, contact your nearest Sony dealer or the store you purchased the product from for a replacement.

On placement

- Do not place the unit near heat sources or in a place subject to direct sunlight, excessive dust, or mechanical shock.
- Place this unit on a flat, level surface. When placed on a sloped surface, the unit may fall over or fall off the surface due to its own vibration, resulting in injuries, malfunctions, or performance degradation.
- Use caution when placing the unit on a surface that has been specially treated (with wax, oil, polish, etc.), as staining or discoloration of the surface may result.
- The speakers of this unit are not of magnetically shielded type. Do not place magnetic cards on the unit or near it.
- Do not place metal objects other than a TV around the unit. Wireless functions may be unstable.
- YY2102C (SA-SW9): Always have two people unpack and carry the unit.

How to care for the unit

- Clean the unit with a soft cloth slightly moistened with neutral detergent. Do not use any type of abrasive pad, scouring powder, or solvent such as alcohol or benzine.

Notes on transferring/disposing

- Be sure to reset the unit, deleting private information and setting information before transferring/disposing.
If the unit is transferred or disposed without resetting, private information may be inspected by a third person and abused.
For details of the resetting method, refer to Help Guide.

Other notes

- Do not insert foreign objects from the opening of the speaker.
- If a foreign object or water gets into the unit, turn off the unit immediately, unplug the unit from the AC outlet (mains), and consult with your nearest Sony dealer or the store you purchased the product from.
- **Data Processing Related to Internet Connection and System Software Update**
When this product connects to the internet, Sony Corporation (“Sony”) will process your IP address. Additionally, when this product needs to perform an update to receive the latest operating system software, display Privacy Policy through the “Sony | BRAVIA Connect” app or receive third party services, Sony will process IP address, version information of Privacy Policy, software version and country/region code of this product. If you do not want such data to be processed, do not set-up the wireless internet function.
Please note that the legal basis under EU law for Sony processing the above data for your internet connection and the provisions of software updates are the performance of the contract we have with you.
For more information about how Sony handles your data and your privacy rights, and for contact details if you have questions or concerns, please access the following URL and read the Privacy Policy.
